GLOBALFAMILYCHARITYRESORT

Somewhere in the world, there is a little bit of happiness,
And I have dreamt about it every moment,

Somewhere in the world, there is a little blessedness,
And I have dreamt about it already for a long time.

Lilian Harvey, 1932

Love Thy Neighbor.

„It is not enough to survive. Humans have to experience something, to give their lives meaning - to gain courage, hope and vision, so that sustainable memories of lucky moments can remain.“

We make it possible for needy families to enjoy an expense-free holiday.

A holiday away from Hopelessness. Poverty. Violence. Fear. Disaster. Sorrow.

I have such a longing, I have dreamt so often,
that someday, happiness will be near to me.
I have such a longing, I have hoped so often,
I have waited days and nights for it:
I will never give up the hope.

Lilian Harvey, 1932

Portraying the Image.

„Global Family cares in a small but important way for the happiness of children and families. The desire for justice will finally be satisfied. In its place will be joy and gratitude. and thereby a reduction of sorrow.“

PROF. DR. DIETER STRECKER,
PSYCHOLOGIST, THEOLOGIST, THERAPIST

It is a simple fact that with an investment of the company in social responsibility, the reputation of the individual hotel business and its sponsors rises through coverage in the media through our presence at conventions, at events as well as at presentations. It is a sustainable, ethic, economical and socially responsible investment by Global Family membership partners and sponsors which is utilized in the entire tourism field. A tourism of sustainability.

Whoever fails to hear the laughter of children,
Fails to see the colours of the world.

The Silent Auction

The silent art and luxury delights auction takes place online. Constantly changing objects regularly donated to the Global Family are auctioned continually. The “Silent Auction” is presented at conventions, trade fairs, or at firms cooperating closely with Global Family – for example the FALSTAFF Red Wine Gala or the international AWC Wine Gala, at the Design District Vienna and even at the largest tourism convention in the world: the CMT in Stuttgart. We also meet intimately in exclusive clubs such as the WineBank in Vienna and at our member meetings. Your donated objects are thereby always present and in good hands!

The most beautiful thing that a person can do,
is to give someone else a small portion of joy.

Laughter Holiday.

Karl Polaska-Auer, Global Family's founder, is also known as the inventor of the Laughter Holiday – awarded the best “Tourism Idea” in 2003. The comedians Otto Waalkes, Reinhard Nowak and Edi Jäger all helped to start Global Family. Dozens of comedians have supported since then the „Travel Agency for Humanity“. The Laughter Holiday is an essential component of the Global Family program, and our partner hotels may book it. Companies, firms, and producers organize charity events such as the „Cabaret Roulette“ or the Laughter Marathon.
